

GOSPEL FOR THE GLOVEBOX

Little gospel conversations for the ride home

LESSON 11: I LOVE MY FAMILY

GOSPEL TRUTH

Heavenly Father gave us families, and we can show love to the people who care for us.

HOW TO TEACH IT

Families do not all look the same. Center the lesson on loving the people in a child's family, not on what a family is supposed to look like. Use names: "Grandma is part of your family. You can show Grandma love."

ON THE WAY HOME

Ask: "Who is in our family?" Choose one person and think of one loving thing to do for them.

LESSON 12: I CAN PRAY WITH MY FAMILY

GOSPEL TRUTH

Families can talk to Heavenly Father together in prayer.

HOW TO TEACH IT

Invite children to participate in one small way: choose something to be thankful for, fold their arms, say amen," or offer a few words. Teach the blessing of family prayer without making a child feel that something is wrong if their family experience is different.

ON THE WAY HOME

Ask: "Who could our family pray for today?" Include the person in a short, simple prayer.

A REMINDER FOR GROWN-UPS

You don't need to recreate Nursery at home.

One question. One little conversation.
