

GOSPEL FOR THE GLOVEBOX

Little gospel conversations for the ride home

Young children learn through simple words, repetition, pictures, movement, and everyday experiences. You don't need to give another lesson. A few words on the way home, at dinner, or at bedtime are enough.

LESSON 17: I WILL SHARE

GOSPEL TRUTH

We can show love by taking turns and letting others have a chance.

HOW TO TEACH IT

Sharing is developmentally hard. Do not expect instant generosity. Practice short turns and use clear words: "Your turn, then my turn." Praise the effort, especially when waiting was difficult.

ON THE WAY HOME

Ask: "What did you take turns with today?" If the answer is "nothing," practice with one toy for a minute.

LESSON 18: I WILL LOVE OTHERS

GOSPEL TRUTH

Jesus Christ taught us to love other people.

HOW TO TEACH IT

"Love everyone" is a large idea. Young children understand small actions: smile, help, include, comfort, and speak kindly. Name love when it happens: "You moved over so he could sit down. That was love."

ON THE WAY HOME

Ask: "How could we show someone love today?" Choose one action small enough to do right away.
