

## I Love My Family

### Game 1: Family Hug Hunt

Scatter family-member pictures. Each child retrieves one and adds it to a big family heart. "Families are a gift from Heavenly Father."

### Game 2: Family Charades

Pretend to rock a baby, help Dad carry something, hug Grandma, pick up toys, set the table. Others copy. "We show our families love by what we do."

### Game 3: Here We Go Round the Family

Use the familiar Mulberry Bush pattern for actions: helping, cleaning, hugging, comforting, working together. You can write our own simple words around the actions rather than reproduce somebody else's song arrangement.

### Game 4: Family Helpers

Scatter safe household objects. "Our family needs help!" Children carry the spoon to the table, sock to the laundry basket, toy to the toy box, blanket to Teddy. Love becomes helping.
