

My Family Can Be Together Forever

Game 1: Family Chain

Children hold hands or each hold part of a soft rope/ribbon circle. Walk together around the room. Nobody gets dropped. "Families can be together."

Game 2: Find Your Family

Scatter matching family sets or animal families. Children reunite parent/baby or family members and place each complete family together.

Game 3: Keep Us Together

Give every child a family picture/figure. They move around until teacher says, "FAMILY!" Everyone gathers into one circle. Repeat with crawling, tiptoeing, marching. The point isn't the silly movement—the repeated destination is together.
