

I Will Be Thankful

Game 1: Thankful Basket Relay

Carry pictures of blessings one at a time to a basket. Each time: "Thank you, Heavenly Father, for ____."

Game 2: Blessing Hunt

Hide large pictures of things children can be grateful for. Find one, bring it back, name it, say thank you.

Game 3: I Spy a Blessing

"I spy something soft that Heavenly Father gave us." "Something beautiful." "Something we can hear." "Someone who helps us." Gratitude becomes noticing.

Game 4: Pass the Thank You

Pass a soft heart or other object around the circle. Each child receives it and chooses a picture/object he is thankful for before passing it on. No music-stop elimination nonsense.
