Game 1: Your Pass the Treasure stays. Nobody is eliminated, and every handoff is the actual act of giving someone else a turn.

Game 2: Share, Share, GIVE!

Our Duck-Duck-Goose adaptation. Tap gently: "Share...share...share... GIVE!" Instead of chasing, the chosen child receives the toy and becomes the next giver.

Game 3: Sharing Picnic

Give children pretend food. Teddy has none. Dolly has none. Friends need plates. Children divide the food so everyone receives something.

Game 4: One for Me, One for You

Large safe objects in a basket. Child takes one, then gives one to a friend. Repeat until the basket is empty.
