

Heavenly Father Has a Plan for Me

Game 1: Growing Up Moves: Baby → Growing Child
Crouch tiny → crawl → stand → stretch HIGH. "Heavenly Father's plan helps us learn and grow."

Game 2: The Growing Path

Make a simple physical path: baby crawl → toddler steps → jump → balance → reach high. Children travel through the stages.

Game 3: What Comes Next?

Teacher acts out a sequence: baby sleeping → crawling → walking → helping → learning. Children copy each stage and call, "NEXT!" before moving forward. Not a random obstacle course—the entire course is growth.
