

I Will Be Reverent

Game1: Your Loud Body / Quiet Body

Stomp, wiggle and clap → leader raises a picture of Jesus → children stop, sit and become quiet. "Reverence helps me think about Jesus."

Game 2: Reverence Freeze

Move, wiggle, march. When the Jesus picture appears: stop → quiet hands → quiet feet → eyes looking. Remove it and move again.

Game 3: Can You Hear It?

After movement, everybody becomes so quiet they can hear a tiny sound: soft bell, paper rustle, whisper. Then: "When our bodies are quiet, it is easier to think and listen."

Game 4: Walk to Jesus

Put Jesus' picture across the room. Can they reach it using quiet feet, quiet voices and controlled bodies? The challenge itself is practicing reverence.
