

# GOSPEL FOR THE GLOVEBOX

Little gospel conversations for the ride home

## LESSON 23 I LOVE THE SCRIPTURES

### *GOSPEL TRUTH*

The scriptures contain Heavenly Father's words and teach us about Jesus Christ.

### *HOW TO TEACH IT*

At this age, love for scripture begins with warm experiences. Let children hold them carefully, look at pictures, and hear very short stories. Stop while the experience is still pleasant. Two peaceful minutes are better than a long struggle.

### *ON THE WAY HOME*

**Ask:** "Which scripture picture would you like to see?" Look at one picture and tell its story in a sentence or two.

## LESSON 24 I WILL FOLLOW THE PROPHET

### *GOSPEL TRUTH*

A prophet is called by Heavenly Father to teach us and help us know what He wants us to do.

### *HOW TO TEACH IT*

"Prophet" may be an unfamiliar word. Use the simple definition, show a current picture, and mention one teaching children can understand. Say: "The prophet teaches us to follow Jesus and be kind."

### *ON THE WAY HOME*

**Ask:** "What does the prophet help us learn?" Choose one answer: follow Jesus, pray, love others, or keep trying.

## A REMINDER FOR GROWN-UPS

You don't need to recreate Nursery at home.

One question. One little conversation.
