

## I Love the Scriptures

### Game 1: Scripture Treasure Hunt

Hide a scripture storybook. Children follow a few simple picture clues to find the "treasure."

### Game 2: Hot and Cold—Find the Scriptures

YES! We finally have a legitimate Hot and Cold. Hide the scriptures. As a child searches, everyone says "warmer" or "colder." When found: CHEER. Then hide them again. The scriptures really are the treasure,

### Game 3: Scripture Story Charades

Use very simple familiar actions from scripture stories: march, build, pray, fish, sleep, look up, etc. Teacher demonstrates; children copy. Show the corresponding picture afterward.

### Game 4: Pass the Scriptures

Children carefully pass a scripture book around the circle. Stop periodically and open to a prepared picture. Everyone gathers close to see what story was found. We handle the scriptures, open them, look inside them, and discover stories we love.
