

I Will Follow the Prophet

Game 1: Prophet Follow the Prophet Trail

Make footprints on the floor. Children follow them to pictures representing pray, love, help, family. "The prophet teaches us ways to follow Jesus."

Game 2: Follow the Leader

Teacher leads. Children follow. Stop at simple action stations: help Teddy, hug someone, fold arms to pray, pick something up for someone. "Prophets teach us ways to follow Jesus."

Game 3: Prophet Says

Our Simon Says cousin—with NO elimination.

"Prophet says be kind." → help Teddy.

"Prophet says pray." → fold arms.

"Prophet says help." → pick up a block.

"Prophet says love your family." → hug yourself/family picture. Nobody gets tricked or thrown out. We are practicing listen → follow.

Game 4: Which Way Do We Go?

Create two little paths. Show a simple choice: help/ignore, kind/unfriendly, pray/not pray. Children choose the path representing what the prophet teaches us to do.
