

I Will Be Baptized and Confirmed

Game 1: Grow to Eight

Put numbers 1–8 on the floor. Children step/hop along them. At 8: “When I am eight, I can choose to be baptized.” Show baptism then confirmation pictures.

Game 2: Eight-Step Path

Eight large stepping spots. Every child travels from 1 to 8 march, tiptoe, giant steps, tiny steps. At 8, stop at the baptism picture. Simple, physical, memorable.

Game 3: What Comes Next?

Give children a few large sequencing pictures: growing child → age eight → baptism → confirmation. Work together to put them in order, then physically walk along them.

Game 4: Grow to Eight

Everyone begins curled up “tiny.” Count slowly from 1 to 8. With every number, children grow taller. At eight they’re standing HIGH. Show baptism picture: “When I am eight, I can choose to be baptized.”
