

Heavenly Father Blesses Me through the Priesthood

Game 1: Help & Comfort MatchGame 2: Who Needs Help?

Hide large pictures of people with simple needs: someone sick in bed, someone sad, a baby, a family. Children find one and bring it back. Talk very briefly about ways Heavenly Father can bless His children including priesthood blessings.

Game 2: Help & Comfort Trail

Child chooses a "someone needs help" picture and carries it along a short path to the priesthood-blessing picture. Everyone says: "Heavenly Father blesses His children."

Game 3: Find the Blessing

Match simple situations to pictures of ways Heavenly Father helps us family care, prayer, comfort, and, where appropriate, priesthood blessings.
