

Jesus Christ Created the World for Me

Game 1: Creation Hunt

Hide pictures of flowers, animals, sun, trees, water. Children hunt, retrieve one and place it on a big "world" mat.

Game 2: Creation Says

Our legitimate Simon Says cousin:

"Creation says sway like a tree."

"Flutter like a butterfly."

"Hop like a rabbit."

"Shine like the sun."

"Fall like rain."

Then stop and name what they just pretended to be: "Jesus Christ created trees!"

Game 3: Build the World

Start with an empty floor or blue/green blanket. Give children large safe objects/pictures one at a time. Children add sun, trees, flowers, animals, water, etc. The world begins empty and gradually fills with the things Jesus Christ created.
